November 2015

We continue to impress the community with our breadth of skills and modern treatment techniques. This month we attended the SchoolNet Wellness Fair, the Millennium Running Trick or Trot, and the Southern NH Expo to educate the community on what we have to offer. It is always fun to get out in the community at fairs, expos, and races. Cheers! - Karin Biskovich, MPT and Laura Jackson, DPT

In August of this year Lynn Novier, Executive Director of Apple Nashua, had the opportunity to do a medical mission with Surgicorp International. The mission was in Antiqua, Guatemala. 30 other medical and non-medical volunteers were present. Lynn's primary role was to work side by side with the hand surgeon, Dr. David Kim, who practices in the Worcester area. Over the course of one week nearly 40 hand surgeries were performed and 50 splints fabricated!

Brandt, Stacie, and Lynn all from the Nashua office attended the NHMI Fall Symposium in September. Also Matt Modelane, DPT will be certified in Trigger Point Dry Needling in November.

COMEBACK ATHLETE OF THE MONTH

Athlete: Ben Chandonnet
Physician: Dlnakar Murthi, NHOC
Physical Therapist: Scott Mercier, PT of Apple Bedford

Ben is a 10-year-old hockey goalie and martial artist. He injured his left Achilles and ankle during a karate training session. He was unable to continue skating, robbing his team of their lone goalie. After four weeks of hard work in PT, Ben has returned to his team. Nice work Ben!

The Apple Therapy Running Gait Analysis Lab continues to grow in numbers and word is spreading. We have posted a new commercial on the Apple Therapy and Millennium Running Facebook page in addition to our website. Stop by the sites to check it out at www.facebook.com/AppleTherapyServices/

The Apple Therapy/ESPN New Hampshire Scholar Athletes of the month for October are Doug Maroun of the Salem High School Football Team and Taylor Sullivan, the Pinkerton Academy Cheer Captain. We are proud to sponsor these athletes for their hard work.
